Since 1921, the Ottawa Hunt & Golf Club, Rivermead Golf Club and Royal Ottawa Golf Club have provided their golf courses for the majority of golf events in the area served by the 1921 Ottawa City and District Golf Association of the Province of Quebec Golf Association (PQGA), the 1948 Ottawa District Golf Association (ODGA), and the 1981 Ottawa Valley Golf Association (OVGA). These clubs also provided their golf courses during the war years to raise funds for the war effort, and they introduced the idea of bringing professional golfers and celebrities in to their clubs to raise funds for charitable organizations in the Ottawa area.
